

## GX Chronology

### MILESTONES

- September 2002 – Lexus introduces its third luxury utility vehicle, the all-new V8-powered GX 470 for the 2002 model year. The new SUV includes seating for up to eight and the latest Lexus safety technology. The GX is sized and priced between the RX 330 and the LX 470.
- September 2003 – Newly available Kinetic Dynamic Suspension System (KDSS) is an industry first, electronically controlling sway resistance of the front and rear suspension anti-roll bars on the 2004 GX 470. New roll-sensing side curtain airbags and Tire Pressure Monitoring System.
- November 2004 – Revised 4.7-liter V8 gains Variable Valve Timing with intelligence (VVT-i) for 2005 model year; horsepower increased from 235 to 263; certified as Ultra Low Emissions Vehicle II (ULEV II).
- September 2006 – Enhanced navigation and rear seat entertainment system become available for the 2007 model. Mark Levinson® DVD Premium Audio System is added as an option and an MP3/iPod® audio input plug becomes a standard feature.
- September 2007 – 2008 GX 470 receives revised exterior styling details and minor interior trim changes.
- December 2009 – Lexus introduces the all-new GX 460 for the 2010 model year. The second-generation SUV includes seating for seven with a power-fold third row and 4.6-liter V8 engine that is more powerful and efficient than the one it replaces.
- October 2013 – The 2014 GX 460 receives new Lexus signature spindle grille, LED headlamps and Daytime Running Lights, clear taillamp lenses with LED lights, trailer sway control and available Blind Spot Monitor with Rear Cross Traffic Alert. The GX also receives new multimedia with eight-inch touch screen display and complimentary HD Radio.™
